

Why purchase Calmade Industries Assembly/Inspection Hoists?

1. Calmade Industries has a very talented, experienced and innovative team that has designed the largest hoists systems manufactured in the USA for the window covering industry.
2. Calmade Industries was born because of the lack of American manufacturers designing and manufacturing equipment for the American market. Most of the equipment made is imported from Europe, China and Korea.
3. Unlike imported hoists, Calmade Industries hoists are made to handle large, heavy shades and to accommodate your needs from the largest to smallest systems.
4. Calmade Industries designs our products to fit our customers' specific needs and budgets.
5. Calmade Industries is a proud family-owned American company that offers second-to-none quality and service to our customers in the United States and overseas.
6. Calmade Industries knows how to design hoists — from very large (20' x 30' with lifting power 650+ lbs) to very small (12' x 8' with a lifting power of 75 lbs)
7. Calmade Industries' service is as close as your phone. Our customers are not account numbers — they are friends.
8. Our warranty. We design our products with the best available materials, components and workmanship. Our quality goes in before our name goes on, so we can offer you a great warranty.
9. Calmade Industries, as a leader in inspection hoist design and manufacturing, has created "Inspection Hoist Standards" to protect and inform the window covering industry. We believe everyone should be able to ask specific questions needed to make the right decision about which product serves their needs. The Inspection Hoist Standards document and a comparison chart are available on our website.
10. Our prices are extremely competitive; we want to reach as many customers as possible.
11. Calmade Industries has incorporated many features in our product line because our customers requested solutions to problems in the manufacturing process.
12. All of our products are design and manufacture in Acton, California, USA. We proudly display the "Made in USA" seal on our logo.
13. Calmade Industries is here to serve our customers with the best quality products that will ensure higher quality and higher profitability.
