

Why purchase a product from Calmade Industries?

- 1) **Experience:** We have over 100 years of accumulated experience in our team designing and manufacturing special purpose equipment. Matter of fact Calmade Industries has built the largest Assembly/Inspection Hoists in the USA and probably the world for the Window Covering Industry.
- 2) **Design and Manufacturing:** We design and manufacture all our equipment to meet our strict specifications standards.
- 3) **Quality:** Most of our team comes from the aerospace industry, so we continue to follow the quality specifications standards set by ANSI. (American National Standards Institute)
- 4) **Service:** We build our equipment to the highest standard and with the best materials and components available in the commercial market, for our equipment to last many years of service.
- 5) **Warranty:** Since we offer a High Quality equipment manufactured with high grade materials and components, Approved by UL / CS, (as a minimum) we can afford to extend the BEST warranty in the industry.
- 6) **Factory Direct:** For the time being we don't have distributors or middle people, so we are able to pass the saving to our customers.
- 7) **Custom Orders:** We are one of the few companies that will modify any equipment to meet the specific needs of the customer.
- 8) **Made in the USA:** We are very proud to be American Company and keeping the high standards of Quality and Service that the American products are known for.
- 9) In **Calmade Industries** our customers are not a number they are our FRIENDS and we treat them as such.
- 10) **Financing:** We also offer financing thru Copley Funding Co.
